RODEO

HOSS PARADE WILL CLATTER THROUGH STREETS SATURDAY

Municipal Band Will Head the Procession

Yippee! Ride 'em, cowboy! That's the familiar old refrain that you may hear Saturday evening when, according to Doc Bennett, a pep parade will be held featuring nothing but hosses and hoss-drawn vehicles.

The parade is for the purpose of building up interest in the rodeo to be held at Bennett's rodeo grounds September 30 and October 1. It will form near the Veterans' building on Seminary avenue Saturday evening at 7:00 p. m., thence up School to Henry, over to State and down State to River Road.

Led by the Ukiah municipal band under the direction of Dr. C. E. Roberts, the parade will feature nothing but horses and horse-drawn vehicles. No motor vehicles will be allowed. In the parade will be the famous old Concord stage coach which was brought to California around the Horn and which was in service many years between Sonoma and Mendocino county. It will carry members of the 20-30 club, under whose auspices the rodeo is to be held.

Parade chairman is Merle McCosker and, Dr. Bennett says, every horse owner and horse lover is invited and urged to participate.

BUNYAN

Great Logger Celebration Is All Set

World Record Made in Tug Of War Event

An unofficial world record for the tug-of-war has been set by two teams in Fort Bragg as a preliminary event to the big Paul Bunyan celebration in the coast city at the month end.

As might be suspected, it was a grudge affair—a battle between the mill hands and the loggers. Each was determined to show up the other team as sissies and undeserving to wear the "beavers" so prevalent in those parts right now. However, it ended in both groups receiving the acclaim of the entire population.

When the exhausted athletes had been pried from the ropes, it was revealed that they had clung there stubbornly for the amazing time of two hours and four minutes. It is thought that the established record by the San Francisco Olympic Club is one hour and eighteen minutes.

The winners were Leo Luzzi, Charles Branchini, Harry Hack, Worthy Lewis, Jack Crispin, Oswald Pyorre, Ed Fomazzi, Aldo Luzzi and Tony Canclini. The losers were Roy Engram, Lawrence Engram, Martin Brendt and Speedo Williams.

Fort Bragg is really getting back of this one, it is reported, and the city is decorated from stem to stern with bark, shakes and other wooly materials. Every male in the vicinity is unrecognizable even to his friends in the frantic efforts to outdo others in growing face spinach, and the Kangaroo Kourt is doing a 24-hour business.

The entire issue of city licenses has been revoked and no house can remain open without having on display a Paul Bunyan license.

Even the campers-out and tourists who came to town for a day or two have joined in the fun and many are spending weeks there instead of days because of the attraction in the colorful celebration. Each Saturday night there is a "box social" and square dances done in the approved manner of the time of old Paul.

Wednesday night at 8:30 over station KGO in San Francisco the Paul Bunyan Association will broadcast during the baseball game at the Seals' Stadium, with Ernie Smith at the mike assisting local yarn spinners to recount the amazing feats of the great logger.

Plans for the great parade and day on Treasure Island on August 20 are still gathering momentum, and the events for the celebration in Fort Bragg itself now definitely include a full rodeo, a baseball game, all sorts of logging contests, greased pole climbing, the final event in the tug-of-war contest, a carnival, and a gigantic torchlight parade to top it all off.

PEACE DISTURBER

Thirty days in the county jail will be about right to give Carlo Molinari, 54, of Hopland, time to cool his temper, it was decided by Justice D. R. Ward Tuesday. Molinari had been arrested by Constable E. R. Witter for fighting in the streets.

● Mrs. Guy Redwine is spending the week with friends in San Jose during the time she is a "nimrod widow."

HOPS

Start Picking With Dearth Of Labor

Hundreds of Yard Workers Are Wanted

Hop picking is in full swing throughout the valley and there is urgent need of more labor in the various yards, according to word received in Ukiah by the State Employment Service, despite release of about 100 persons from WPA projects to fill the demand.

A partial check of nearby yards disclosed a need for more than 200 pickers at once, it has been announced by Kenneth Sullivan, manager of the local office of the employment service. Ranchers filing reports of their needs state they will supply wood, water and tents for workers.

This work is expected to last about two weeks and, after that, it is felt that all who wish to continue in other crops can be well taken care of in this county.

Projects Closed

Already three WPA projects have been closed down by the release of more than 90 men and women to take part in the harvest, according to D. M. Mankins, local WPA administrator, and others will follow as soon as requests are received from the employment service for additional hands, until every person on the rolls is released for work, provided he is not subject to hop poisoning.

Pear pickers and packers who will be finishing work this week are expected to help meet the demand for labor in the hop yards. The Cunningham & Thomas company will probably effect a transfer of some of their employes from the pear work to the hops, in which work they will need about 50 persons.

Horst Harvest

On the big Horst ranch the work will run about 15 days, according to W. J. Witherell, and more than 60 people will be employed in harvesting the expected 600 bales. The picking began Thursday afternoon.

Projects already closed by the WPA include the Elkhorn, the Talmage and the Branscomb road improvement jobs.

First Settler Will Observe Birthday

Mrs. Nellie Thurston, a member of the first white family to settle in Ukiah, observed her 87th birthday on Sunday, August 13, at the home of her son and family, Postmaster E. P. Thurston.

Mrs. Thurston is the last surviving member of the remarkable family of the late A. T. Perkins, who came to Ukiah in the spring of 1857 with his family. He bought the Parker homestead and opened a blacksmith shop. Through Mr. Perkins, the first Democratic newspaper was founded, and the land for the site of the first school donated.

Mrs. Thurston enjoys good health. Mrs. Walter Jamison of Ukiah is a niece of the pioneer woman.

Highway Funds Apportioned

An apportionment of $13,508.06 is Mendocino county's share of the motor vehicle registration and in lieu tax funds for the first six months of 1939, it has been announced by the State Department of Motor Vehicles in Sacramento.

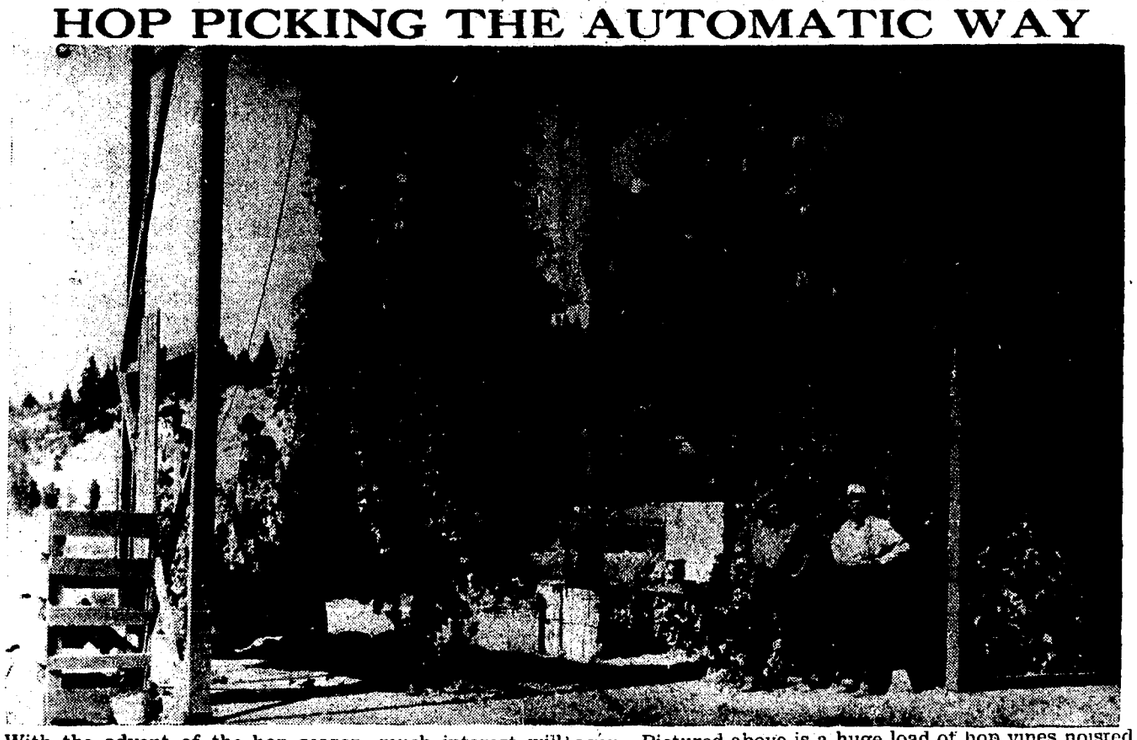
The county received $13,099.86 on the basis of 9631 motor vehicle registration and an additional $408.20 from the in lieu tax distribution.

The cities of the state receive a 25 percent share of the in lieu tax collections, while the counties receive 12½ percent. The remainder of the $197,187 total collected from this source will be used to retire the principal and pay the interest on highway bonds.

Allotments of the in lieu tax according to cities within the county are: Ukiah, $142.95; Fort Bragg $138.28; Willits, $65.16, and Point Arena, $17.61.

● Mrs. Mary Imperiale has concluded a visit with cousins in Gualala and Yorkville and is now enroute as far east as Colorado Springs. Mrs. Imperiale resides in Healdsburg, and is known to residents of this section.

HOP PICKING THE AUTOMATIC WAY



With the advent of the hop season, much interest will again be taken in the automatic hop picker on the Horst ranch, of which W. J. Witherell (standing right) is manager. Pictured above is a huge load of hop vines hoisted and ready to go "through the mill" where the hops are separated from the vines by machinery.

MARRIAGE

SYPHILIS TEST REQUIRED AFTER SEPTEMBER 19

State Will Bear the Expense

Notification that a certificate issued by a bonafide physician, stating that the contracting parties in California marriages show a negative reaction to syphilis tests, must accompany marriage license certificates after September 19 is being made by County Clerk H. M. Burke.

Although the actual serilogical test may be performed by a technician, according to a ruling by Attorney General Earl Warren, the physician who is responsible for the blood sample will be held to account. Warren further ruled that tests may be made by family physicians or other private practitioners.

Under terms of a law passed by the last legislature, persons desiring to be married must submit to the tests before a license is granted, in addition to waiting three days as now prescribed by law. The tests will be given at state expense and must be performed within 30 days before the marriage license is applied for. Furthermore, all records of the tests will be confidential.

VAGABOND

Vagrant From Ft. Bragg Is Released

"Get out of town" isn't just a song title to Lee Carroll, 23, a former Fort Bragg woman, according to Santa Rosa police reports. Miss Carroll has been released from the county jail after pleading guilty to a charge of vagrancy only on the condition that she shake the dust of the floral city from her buskins.

Miss Carroll and Eddie Donati, alias James Grinelli and Thomas Carroll, were arrested in Healdsburg by Santa Rosa and local authorities on suspicion of defrauding an innkeeper and issuing worthless checks. The gentleman was allotted six months in the county jail by Jolice Judge William E. Rutherford while his lady companion took it on the lam.

NO CASH

Jesse Johnson of Pescadero, who was arrested by Patrolman Frank Mills near Hopland Saturday and charged with drunken driving, was fined $50.00 or 25 days in jail by Justice Don Ward. Shy of cash, he is serving the term.

More Than 200 Carloads Of Pears Are Shipped

A check with the three largest packing companies reveals that to date more than 200 carloads of pears have been packed and shipped from Ukiah, not counting the fruit sent to canneries.

Prices, quality and quantity have all been high and have risen consistently since the picking season began. Forty-eight dollars a ton to the grower has been the highest eastern price, with the average for all shipments topping $40.00.

Of the total, the Ukiah Fruit Growers have shipped 80 carloads, the California Fruit Exchange has shipped 25 cars, and Cunningham & Thomas have shipped 98 cars. The latter concern expects to conclude work about the end of this week but the Fruit Growers have some two weeks more to go. The Fruit Exchange expects to ship four more carloads. Monday they sold 400 tons to an Oroville cannery at $32.50 a ton.

FIREMEN

WILLITS LADDIES WILL PLAY HOST AT PICNIC

Free Tickets Rain on Lucky Citizens

An ultra-modern twist was given the ballyhoo for the sixth annual Willits fire department picnic and barbecue, to be held in the city park on Sunday evening, August 20, when 1000 handbills advertising the big event were "bombed" onto the populace from an airplane piloted by Gene Graham and Harold Rogers.

Shuffled among the handbills were 40 free tickets to the entertainment, making it worth any citizen's while to scramble amongst the oversized confetti for this veritable "folding money."

Chairman of the event K. D. Reynolds announces that plans are almost completed for every phase of the entestainment, including water fights, music, and an amateur radio hour, in addition to the sumptuous barbecue of baby beef, beans and other knick-knacks.

Boy Hunter Shot In Lake Accident

Richard Tapscott, 17, Mission high school student, San Francisco, is in a critical condition in Upper Lake hospital, a victim of the accidental discharge of a rifle. The .22 calibre bullet entered his right side, near a lower rib, and lodged against his spine. His lower body was paralyzed and he suffered internal bleeding.

Gardner Interests Sold to O'Quest, George Evans

A business deal of importance to State street was consummated last week when George and Betty Evans closed a deal to purchase the cafe business now operated by Slim Gardner on State between Standley and Smith.

At the same time, George O'Quest bought the Gardner liquor store at the same location, which he will consolidate with his present business, George's Buffer.

The entire space now occupied by the cafe and bar will be made into a first class cafe conducted by the Evans', who have for several years run the Busy Bee cafe on North State street, which cafe will be continued for the present.

Slim Gardner is now located in Eureka where he has taken over the Varsity Club.

COMPENSATION

DRASTIC PENALTY PROVIDED FOR AVOIDANCE

Domestics Are Insured for First Time

Under the provisions of the newly enacted State Compensation Insurance Law, it will be a misdemeanor for an employer not to carry compensation insurance, a study of the act reveals. The measure gives 30 days' leeway before a penalty is imposed but, on conviction, a fine of not less than $300 will be levied.

Moreover, the act declares that a business conducted without workmen's compensation is a nuisance subject to abatement.

Domestics Included

Hundreds of employers of domestic help who never before were subject to the provisions of such an act will now become liable, according to a new section of the law. Any person engaged in household service for over 52 hours per week is an employee, according to the definition of the new section. This means that almost all domestic help will be affected.

The new act further requires that "every employer subject to the compensation provisions of this code, and not self-insured, shall post and keep posted in a conspicuous location at his headquarters or at one of his places of employment, as defined in Division V of this code, a notice which shall state the name of the current compensation insurance carrier of such employer.

Lilburn Gibson Demonstrates Cooking Art

Lilburn Gibson forsook his law duties to prove his worth over the campfire on Sunday, when he cooked to a turn the venison he brought home.

The venison feed was held at the B. A. Thornton cottage at Camp Ukiah. Enjoying the steaks were the Gibsons, Mr. and Mrs. Harold Holliday, Dr. and Mrs. J. H. Hansen, Mr. and Mrs. Frank Wilson, Mr. and Mrs. A. L. Harris, the Thorntons and Jean.

September 12 Set For Rich Trial

The jury trial of Ephriam L. Rich, Coyote Valley rancher, for the illegal manufacture and possession of brandy, will begin on September 12, Superior Judge W. D. L. Held decreed Friday.

Rich was recently arrested by H. W. Elliott, Mendocino county liquor control officer, and State Liquor Officers F. L. Fisk and Harry Bull. He pled not guilty when arraigned and demanded a trial by jury.

Higher Taxes Loom As Board Begins Annual Session

Failure of Governor Olson to sign the bill which would have provided an old age assistance fund for the counties will probably mean a somewhat higher tax rate for Mendocino county next year.

This was revealed upon publication of the tentative budget for 1939-1940 this week. Last year the state provided $49,773.55 for this item in the Welfare Fund. This year nothing is provided.

A boost in the tax rate to cover this deficiency is very likely, according to County Auditor Paul M. Mathews, but it will not necessarily be as high as shown in the preliminary estimates in the budget. The Board of Supervisors are meeting this week to determine the exact amounts that will be necessary to conduct county business during the next fiscal year. When their deliberations are concluded, the tax rate will be set, and it must be set by August 31, 1939—otherwise, the law provides that the rate must be set by the County Auditor.

Grand Total

The total amount requested in the preliminary estimates is $1,316,949.00. This figure compares with $1,092,747.58 actually spent for the same purposes last year.

The sum excludes school district and city funds and is computed aside from trust accounts, which do not affect the tax rate. It also includes a revolving fund of $176,397 which cannot really be reckoned in the final analysis.

Of the grand total to be expended, it is estimated that $587,047 must be raised by taxation within the county. This would set the tax rate for areas outside incorporated towns at $2.50 per $100.00 assessed valuation and for incorporated areas at $2.30 for each $100.00 assessed valuation. Last year these figures were $2.29 and $2.09 respectively.

21-Cent Increase

As shown in the preliminary budget then, the tax rate would be 21c per $100.00 of assessed valuation higher than for the fiscal year 1938-1939. But, as has already been explained, Auditor Mathews expects that the final rate as set by the Board of Supervisors will be considerably lower than this tentative estimate indicates and will compare favorably with the rate of last year, despite the deficiency in the Welfare fund.

Rumors Dismissed

Mathews denied that the increase in old age pensioners in the county had anything to do with the possible increase. Rumors to this effect he dismissed as a misunderstanding of the budget. The actual figures for old age pensions remain almost stationary, he pointed out, averaging them throughout the year, and no increase is contemplated next year.

That the financial affairs of the county are in good condition is indicated by a $228,138.78 surplus. Estimated revenue other than taxes is placed at $501,765 and the total estimated available funds is set at $729,902.

General Fund

The total sum requested for the General Fund for the coming year is $251,174, compared with $278,105 allowed by the board last year and $291,182.77 actually expended by June 30, 1939.

The total requested for the Welfare Fund is $584,748. Last year $576,500 was allowed and $542,602.69 expended.

The grand total requested in the departmental budget of the Board of Supervisors is $16,482, compared with $15,179.28 actually used last year. The principal increases are shown in salaries, wages and mileage items, the maintenance and support items remaining practically stationary.

County Clerk

Contrarily, the budget for the County Clerk's office shows an actual decrease in requested funds—$7217 compared with $7282.50 used last year, the decrease coming in the maintenance and support group.

The requests of the County Auditor's office top those of last year $10,918 compared with $9254.39, increases being shown in the salaries of the auditor himself, the tax clerk and sundry items in the maintenance and support list.

Other Departments

Departmental expenditures by the County Statistician proposed by the budget are the same as those of last year, $600.00, and the office of the County Treasurer shows an estimated increase from $2965.08 to $3687.00, the rise being mainly due to a $714.00 burglary insurance item that did not have to be met last year.

According to the estimates of the office of Public Administrator, the costs will decrease in 1939-40, $1845 compared with $1885.45 for 1938-39. Tht County Assessor will also expend less, $7930.00 instead of $8126.74, while Block Book expenses will rise from $3020.07 to $3550.00. The County Tax and License Collector estimates he will need $6820 compared with $6446.59 last year.

The Registrar of Voters and Elections will expend only $15,100 compared with $23,956.71 last year, he figures, the decline being general throughout the departmental budget.

Superior Court

In the Superior Court department, it is proposed to spend $8402 as against $8395.81 during 1938-39. The law library will cost a little less than last year, $910.00 compared with $999.34. Costs of the District Attorney's office will rise, however, to an estimated $8228.00 compared with $5475.42 last time, the largest single increase being the salary of a deputy at $1800.00 per annum. The salary of the District Attorney is increased from $2765.02 to $3000.00 also and increases are listed in the stenographer's salary and for reporting and transcribing. A capital outlay for office furniture increases the fund another $250.00, while investigation costs also rise.

The budget of the Purchasing Agent calls for less, as does that of the County Coroner, but the County Surveyor and the Grand Jury budgets call for more money. Expenditures for the Court House and Grounds will decline, as will costs of the sheriff's office, $20,022.00 as against expenditures in 1938-39 of $20,818.00. Offices of the various Justices of the Peace show a stationary tendency or slight increases, which also holds true for the of-

It's a $700,000 investment in democracy that California is making in holding a special election on the ham-and-eggs plan November 7.

That's a conservative estimate of the cost of the election which is being held so that you and 3,500,000 other eligible voters may ratify or veto one of the most ambitious plans the nation has yet seen for setting aside a special cache of riches for the aged.

Whatever the result, everyone is a shareholder in that $700,000 investment and should participate in it. Make certain that you are eligible to do so. Voters who did not cast a ballot at either the primary election last August or at the general election in November, or who have moved to another district since then, are not eligible to vote this November unless they register by September 28. If you fall in this classification, wise foresight advises, "Register now!"

To the familiar shrug, and indifferent remark of many people, "Why should I bother? What possible difference can one vote make?" history itself provides eloquent answer. A single vote, more than once, has turned the tide of great events.

It was one vote that elected Cromwell lord protector of England and sent Charles I to the scaffold, breaking, for good, the power of monarchy in Britain. It was one vote that made California a member of the Union and launched a great migration into a new frontier of America. It was one vote in the electoral college that elected a president of the United States in 1876.

Your ballot can decide the November 7 election. Register now—and vote!

Bulk Sales Notices Must be Published Under New State Law

Greater protection to creditors is given in a bill just signed by Governor Culbert L. Olson, requiring the publication of a notice when bulk sales, transfers or assignments of a stock in trade are made which are not in the regular course of business.

The law also requires publication of such a notice in the event of the sale, transfer, assignment or mortgage of the fixtures or store equipment of a baker, cafe or restaurant owner, garage owner, machinist, cleaner and dyer, or retail or wholesale merchant. Penalty for failure to record or publish is presumption that the transfer of ownership is intentionally fraudulent.

Effect of the law, an amendment to Section 3440, Civil Code, is to require one publication of the notice now required to be recorded concerning such sales. Publication shall be completed not less than two days before the date of the intended sale, transfer, assignment or mortgage and must be published within the township in which the sale takes place. The law is similar to one in Arizona where such notices of sale must be published once a week for three weeks in a weekly newspaper or for ten days in a daily.

The bill, introduced by Assemblyman Charles Lyon, is AB 48. It was signed by Governor Olson on June 6 and has become Chapter 422 of the Laws of 1939.

Since the legislature adjourned June 20, it will become effective on September 19, which would be 90 days after adjournment.

"Pull Over, Buddy" May Be Mere Routine

Unless you know you are a lawbreaker, don't be too much alarmed when one of the State Highway Patrolmen pulls you up someday and asks to see your driver's license.

The chances are excellent—if you are a normally law abiding citizen—that he is merely conducting one of the three daily routine tests he is under orders from Sacramento to complete, according to Capt. Austin Rawles of the local office.

To abide by the state ruling, each officer must make three license examinations daily, in addition to his usual patrol duty. This means a total of more than 3000 such examinations in this district each month, captain Rawles pointed out. The July total was 3348 quizzings of puzzled but vastly relieved motorists in Mendocino county and 32,723 for the state as a whole.

The reports are forwarded to Sacramento, where a check is made to ascertain whether any such persons are operating a vehicle after such licenses have been suspended or revoked. Many operators are found whose licenses have a wrong address or have expired.

BRAKES FAIL

When Stanley Roy Murray, truck driver of Petaluma, applied the air brakes to his big trailer unit to make a stop at the U. S. 101 highway coming off Highway 20 early Tuesday morning, the brakes failed to respond. As a consequence, the truck failed to stop and ran out of control, finally overturning off the road. Murray climbed out of the wreckage, dusted himself off and announced that he hadn't even been scratched.

Mrs. R. L. Becker chairman of Circle A of the Federated Methodist Women, entertained her Circle at a lawn party Wednesday evening. Twelve members were in attendance. A refreshment service followed the business meeting.

New Shoreline Bridge Opened

A new $25,000 concrete bridge on the Shoreline highway was opened to travel last week near Mendocino, according to word received from the coast. The structure is known locally as the Jack Peters bridge and it is said to combine beauty with utility. In constructing new approaches for this latest link in the coast highway, many curves were eliminated or made more gradual.

Tax Delinquents Take Notice

A recent act of the California legislature removes penalties on delinquent taxes to persons owning property prior to January 1, 1939. But, cautions County Auditor Paul M. Mathews, this ruling applies to taxes for 1937 and prior to 1937 only. Taxes delinquent for 1938 do not come under the act. And, moreover, after September 1, 1939, the penalties go back on. So if you owe delinquent taxes write to your County Auditor for estimates of the amount.

Waldteufel, Younce Will Be Partners

As an expansion movement to his business, J. A. Waldteufel, veteran insurance and real estate dealer of Ukiah and Mendocino county, announces the association with him of Larkin Younce, who will work with Waldteufel in all lines of his business.

Younce has had years of experience in this line and is familiar with all parts of Mendocino and Lake counties, having made his home two miles south of Ukiah for the last 13 years.

The Waldteufel business will be carried on as it has in the past 30 years with the exception that Younce will take some of the ever increasing load off the shoulders of Waldteufel.

The following ad appears in the columns of the Dispatch

"The Peacemaker washing machine—toiling women, listen to this: a machine that will do this much by your assistance: it will do an ordinary week's washing for from four to eight persons in from one to two hours. It neither rubs nor boils your clothes; uses only common soap; it will clean the finest fabrics as well as the coarsest without injury to either; it will restore woolen goods that have drawn up and become hard to their original fullness. You can cleanse your clothes without soiling your carpet or floor—in fact, you can keep perfectly neat during washing. The above facts I'll prove if you will give me a trial at your own house in Mendocino county. Children do the washing as well as their parents!"

COUNTY BUDGET

—(Continued from Page 1)—

fices of constables. The Probation Officer seeks a large increase, from $2223.03 to $3599.00.

Costs at the County Jail are estimated to be $5580.00 over $5722.15, and the County Recorder's figures are $5242.00 over $4838.34. The Sealer of Weights and Measures office will take a little more support, but the Farm Advisor's office will come down a bit, as will those of the Agricultural Commissioner.

Health and Education

Health will cost the county more, the costs in the offices of Health Officer and County Nurse indicating increases and the County Farm and Hospital requesting $33,905.00 instead of $25,869.91.

Education also calls for extra expenditures, the Superintendent of Schools requesting $7365.00 over $6742.07 last year, and the Board of Education itself seeking an increase from $683.60 to $1200.00.

Social welfare funds call for $12,312.00 instead of $8196.75 to be expended by the Social Agent, and the Detention Home asks for $6931 instead of $4540.81. Charities and Corrections add $531,660 compared with $504,995.22 last year.

Exploitation funds also show an increase from $4512.40 to $5450.00, the largest item being $600.00 for county folders and booklets which were not printed last year.

Other budget categories are for supervisorial road districts and county general outlays, with miscellaneous expenditures making up the remainder of the total budgetary demands.

Three Score and Ten . . .

The promised three-score years and ten
Is a good beginning for certain men, —
Those who live both clean and well
A story of years are proud to tell.
Life for such holds great rewards,
The finest things that earth affords!
Samuel Mitchell is one of these
As his seventieth birthday now he sees.
Hearty and hale and full of pep,
With younger folk he keeps in step.
July 16th is his natal day,
His birthplace, Cornwall, far away;
In England as a growing lad
His share of fun and work he had, —
Rabbit hunting in hedges green,
On the trigger always quick and keen.
Of his father's family the twenty-first,
For being last he was none the worse.
Youth at Trevellas Farm was good,
They helped and played as youngsters should.
To Crosscombe Chapel in Sunday best,
Sabbath there was a days of rest!
He married young, so his bonnie bride
No longer alone would need reside;
Together they kept a country store,
And went on picnics to the shore.
Later in life they had a dream, —
To some it may have looked extreme,
But they wished for their children numbering four,
Opportunities, more and more;
So in 1911 they bade good-bye
For California's sunny sky;
Many customs were strange and new,
Where a farm was rented and friendships grew.
Two more boys are native sons,
But even they like English puns.
Father's children all are near
To worry him still and bring him cheer;
A family grown should all behave, —
Not in and out with every wave,
Perhaps when we are seventy, too,
We'll understand more than now we do.
Everyone has his ups and downs, —
A ladder may fall and bump your crown;
And Father was knocked right off his bike
By a careless driver, a nasty strike,
But why give up for a broken limb?
Takes more than that to conquer him!
So here we are to wish you joy,
May nothing your sense of fun destroy.
As years go by and his friends increase
We want him to live in love and peace.
He may not be able to button his coat,
(Pardon, please, this anecdote),
He tips the scales at two hundred, plus,
But we're used to seeing our Father thus;
So we want him natural, well and strong,
As busily he plods along;
He minds his business and goes his way,
Making the most of every day.
Many folk seek his advice,
And think like us, he's very nice!
All the grandchildren like his smile,
And accept his lozenges once in a while!
We're glad for that familiar voice,
His visits make us all rejoice.
We're willing to share with him friends galore,
For he's staunch and true to the very core!
He doesn't seem to us his age,
Going strong at the present stage;
We need him yet for many a day,
An example fine of the better way.
The garden of life needs skillful care
To check the weeds most everywhere,
And everyone who tends his flowers,
To others offers golden hours.
May Father make scores of pasties yet,
The taste of which we can't forget.

RODEO

COMMERCE BODY VOTES BACKING FOR ROUND-UP

Saturday "Hoss" Parade Entries Are Mounting

In a meeting attended by the full membership of the board of directors of the Ukiah Chamber of Commerce Monday evening, it was unanimously voted to endorse the Ukiah Round-up association in putting on the rodeo to be held in Bennett Stadium on September 31-October 1.

Present with the directors were: Frank Branson, president of the Ukiah 20-30 Club, sponsors of the event, R. C. Bowers, finance chairman for the club, "Frosty" Hughes, who will handle promotion activities for the show, and Dr. E. C. Bennett, who is serving as general manager.

New Headquarters

The Chamber directors expressed their opinion that the plans were not only feasible but desirable from the standpoint of regaining Ukiah's splendid reputation as a first-rate show town. To further all activities of the 20-30 Club and their associates in promoting the affair, use of the rooms and equipment of the Chamber were offered and accepted. Henceforth, then, headquarters for the Association will be in the Chamber of Commerce offices.

Meanwhile, plans have been matured for the whoop-la hoss parade to be staged Saturday night. Among the entries already announced is that of Barbara Jean Richardson, six-year-old daughter of Mr. and Mrs. Russell Richardson, who will ride her pony. Barbara Jean has already been elected "queen" of the rodeo which will be part of the Fort Bragg Paul Bunyan celebration in the coast city.

"Hoss" Parade

Dr. Bennett states that he has been meeting with enthusiastic response in publicizing and financing the Ukiah Round-up. Entries for Saturday night's parade already assure a successful event and more are coming in daily. Excellent progress has been made in financing the rodeo and the 20-30 Club members are going ahead with renewed enthusiasm this week to complete the sale of certificates which will assure its financial soundness.

WILLITS NEWS

All-White Decorative Scheme Enhances Beauty of Slocum-Branson Wedding

In a wedding ceremony featuring an all-white decorative color scheme, Miss Clara Slocum became the bride of Mr. Harley Branson on Sunday, August 13, in the home of her parents, Mr. and Mrs. O. O. Slocum, at 1137 West Perkins street. The Rev. W. Theo Matlock read the marriage ceremony at three o'clock in the presence of 23 friends and relatives of the couple.

The couple stood under an archway that simulated a canopy, which was draped in woodwardia ferns and huckleberry. On both sides of the canopy white gladioli and asters were grouped in low baskets.

The charming bride wore a white moire taffeta gown, fashioned on princess lines. The sleeves of the frock were short and puffed, and she wore a strand of pearls around the heart-shaped neckline. The skirt of the gown was full and flaring. She wore a white gardenia in her hair, and her bouquet was of lilies of the valley and gardenias, tied with white ribbons.

Miss Christine Smith attended the bride, wearing dusky pink moire made on princess lines, with a row of buttons covered in that fabric the entire length of the dress. The skirt was full and the quilted Peter Pan collar matched the quilted puffed sleeves. Miss Smith carried an old-fashioned bouquet, and wore a gardenia in her hair.

Mr. Frank Branson attended his brother as best man.

Following the ceremony, a wedding reception was held in the home. The all-white scheme predominated in the table appointments.

Mrs. Slocum, mother of the bride, received in a gown of orchid crepe with a corsage of gardenias. Mrs. J. D. Branson, mother of the groom, wore navy blue with white accessories and a corsage of gardenias.

Guests at the wedding and reception included Messrs. and Mesdames R. E. Hazelwood, grandparents of the bride, Verne Boulware and daughter Betty Lou, of Crescent City, J. P. Weber, Clair Holliday, Rev. and Mrs. Matlock, J. D. Branson and Frank Branson, Stanley Hildreth, Mrs. Mildred Smith, Jack Polhemus of Santa Rosa, Mr. and Mrs. Slocum and Harvey Slocum.

The new Mr. and Mrs. Branson are honeymooning in the bay region. The bride's traveling suit was of blue, with reddish-brown accessories. On their return to Ukiah August 27, they will be at home to their friends in the newly-remodeled Verne Scott home on West Perkins street.

Berlin Woman Is Guest in Kasch Home

Mrs. Beate von Hahn of Berlin, Germany, was an interesting guest in the home of Mr. and Mrs. Charles Kasch in Oak Park Thursday evening.

Mrs. Kasch had the pleasure of visiting in the von Hahn home in Berlin, and Mrs. von Hahn made the trip here during a tour of the United States. The visitor is a horticulturist of note, and enjoyed contrasting horticultural conditions here with those of Berlin.

Mrs. von Hahn has selected New Rochelle, New York, as her future home.

Arizona Guests Preview Fair With Hostess

Misses Rose and Joanna Quarelli of Winkelman, Arizona, had their first preview of the Exposition on Treasure Island Thursday.

The two women, sisters of Mrs. John Dougherty of Ukiah, viewed the Exposition with their hostess and Mr. Dougherty, who is in Berkeley for the week on business. The Misses Quarelli will be guests here for three weeks.

Mark Pikes Home From Redwoods

Rev. and Mrs. Mark Pike and daughter, Patsy, returned Wednesday evening from a ten days' outing at Richardson's Grove in the redwoods. Mr. and Mrs. Hale Prather and Misses Mildred and Ernestine Prather were their guests on Sunday.

Pauline Eagerblade of Red Bluff, young friend of Patsy, was with the Pikes and will continue her visit here for another week; at the end of that time Patsy will be a guest of Pauline for a fortnight.

Mutual Friends from Santa Paula Visit Families Here

Mr. and Mrs. Everett Williams and three sons of Santa Paula, mutual friends of the Norman Buhn and the O. E. Jacobs families, are being entertained by the two couples for a period of several days.

The Williams' make a trip to Lake Pillsbury annually for deer hunting, and they have been camping there for the past ten days.

Misses Fraser In Berkeley

Misses Joan and Anne Fraser returned to Miss Anne Fraser's apartment at 2414 Telegraph avenue, Berkeley, on Tuesday. They were accompanied on the trip by their niece, Miss Doris Moulton, who will spend several days there.

Miss Joan Fraser, editor of the Redwood Journal, is convalescing from her recent illness and will return to her desk the first of October.

Served As Sewing Club Hostesses

Mrs. H. E. Davis and Mrs. J. H. Hansen were co-hostesses to fellow members of the A and J sewing club, when the group met in the Davis cabin at Camp Ukiah, overlooking Blue Lakes. Mrs. Earl Cox was a guest.

The next party will be a no-hostess affair at the Lakes.

ANNUAL VACATION

Mr. and Mrs. John Arndt (Erla Yarbrough) of San Francisco are spending their annual vacation of a fortnight with Mrs. Arndt's parents, Mr. and Mrs. C. R. Yarbrough of Redwood Valley.

GUEST HERE

Mrs. Neal Daugherty of Oakland is spending the week in the home of Mr. and Mrs. A. L. Gobalet. Mr. Daugherty will spend the week end here and accompany his wife to the east bay on Sunday.

FROM THE SOUTH

Mr. and Mrs. D. W. Perkins and daughter Lucille, of Los Angeles, have concluded a visit in the home of Mr. and Mrs. Charles Ciancio of Redwood Valley. They left for their home in the south on Tuesday morning. The visitors brought word that Miss Virginia Ciancio, a member of the nursing staff of the Los Angeles City and County hospital, is in good health but misses local friends.

BIRTHDAY HONORS

Norma Jean Hewitt celebrated her ninth birthday with a party arranged by her mother, Mrs. Roy Hewitt. Refreshments followed an afternoon of games. Pink and white were used by the hostess in decorations. Guests of Norma Jean were Lois and Ruth Marie Schamber, Beverly Morby, Ginger Shogren, Nina and Joan Larson, LaVerne Thomas, Beverly Sanderson, and Mrs. Elmer Shogren.

HOSTESS TO FRIENDS

Miss Donna Jacobs, daughter of Mr. and Mrs. O. E. Jacobs, is entertaining a house guest this week, Miss Betty May Morgan of Healdsburg. Miss Jacobs was hostess to a friend from Arcata last week, Miss Betty Rees.

FROM MONTANA

Miss Jean Ryan of Great Falls, Montana, is a house guest this week in the home of Dr. and Mrs. O. L. Gericke of Talmage. Miss Ryan made the trip by train and will spend the week in this vicinity.

RODEO QUEEN

Little Barbara Jean Richardson, 6, and her pony, "Spunky," whom you see here, will appear in the "hoss" parade in Ukiah Saturday evening, which will be a preliminary event to the Ukiah Round-up, September 31-October 1. The little equestrienne has been chosen "Queen" of the rodeo which will be presented in Fort Bragg as part of the Paul Bunyan celebration on September 2, 3 and 4, and will also appear in the parade there. —Dispatch-Democrat Photo

Townsend Here To Boost Plan

"We have a representative in every state who is working conscientiously to further our plan," so said Dr. Francis Townsend, famed father of the Townsend Plan, in an exclusive interview with a Journal reporter Saturday noon.

"We are confident of ultimate victory, and are constantly increasing our crew of organizers in each Congressional district," the 72-year-old promoter said.

Dr. Townsend, accompanied by his wife, and Robert Monaghan of Bedford Hills, New York, was traveling over the Redwood highway to Ferndale, where a large gathering of Townsendites was planned for the Sequoia groves.

Dr. Townsend and his party have recently completed a tour of the United States by airplane, going as far east as East Machias, Maine.

WITH PARENTS

Mrs. Ray Rollin Wilson (Joy Van Allen) and two daughter, Nan and Faith of Corvallis, Oregon, will be guests of Dr. and Mrs. L. K. Van Allen until September first.

B AND P MEETS HERE

The Redwood Empire district convention, Business and Professional Women, will be held in this city October 21 and 22, according to an announcement by Mrs. Ardis Roberts, president of the Ukiah host club.

FORMER RESIDENT

Friends of the former Miss Mabel King, a resident of Redwood Valley for many years, will be interested to learn that she is a house guest of Mr. and Mrs. C. N. Forbes in their country home in the valley. Miss King, who is now Mrs. Lloyd Campbell of San Francisco, arrived in Ukiah on Tuesday, where her hostess met her.

AT EXPOSITION

Mrs. H. R. Pauli and daughter, Della, are spending several days at the Exposition and in San Francisco. Mr. and Mrs. Pauli and Della recently returned from a trip to Orcas Island near Victoria, Canada, where they visited Miss Claire Pauli, a counselor at Camp Four Winds there. Miss Claire Pauli will return to Ukiah next week.

MRS. CHAPMAN HERE

An interesting guest in Ukiah this week is Mrs. Albert Chapman of Oakland. Mrs. Chapman, the former Gertrude Lamb, is a niece of Miss Alice Lamb, proprietor of Lamb's Inn, where she is a guest. Mr. Chapman is in the east at the present time.

AT BLUE LAKES

Mr. and Mrs. Al Pioda and daughter, Dorothy Jean, are enjoying an outing at the lake cottage of Mr. and Mrs. George Vevoda. They are expected to return the end of the week. Miss Virginia Morris is a house guest of Miss Pioda.

THE PAYING WAY IS THE CLASSIFIED WAY!

HOPLAND NEWS

HOPLAND, Aug. 14.—Mr. and Mrs. Percy Hopper entertained a group of friends at a venison steak barbecue Wednesday evening. The steaks were from a fine buck bro't in by Mrs. Hopper the first of the season, and were broiled over an outdoor grill under the expert supervision of Walter Sink of Cloverdale. Dinner was served under the arbor in the garden. Those included in the guest list were Mr. and Mrs. Walter Sink of Cloverdale, Mr. and Mrs. Enrico Prati of Asti, Mr. and Mrs. R. R. Ingels of Potter Valley, and Mr. and Mrs. Chas. S. Myszka of Ukiah.

Frank Harmon and Percy Hopper went to Windsor Saturday to attend the funeral of the late George Byrns, a life-long friend.

D. Burdisso is confined to his home on Feliz creek, suffering from a heart attack. He is under the care of Dr. F. E. Sohler of Healdsburg. His condition is not serious and after a month's rest he is assured complete recovery.

Mr. and Mrs. Cecil Myers returned from San Francisco the first of the week after a week's visit with friends.

E. A. Hopper spent the past week with friends in Sonoma county. He spent one day at Treasure Island enjoying the Fair.

Mrs. L. C. Faught is enjoying a visit in San Francisco with her sister, Mrs. Minear.

Robert Buckman has been ill with the flu for some time. His condition is improved at this time.

J. D. Metzler is expecting a visit from his son-in-law and daughter, Mr. and Mrs. Vern Flemming of South Gate.

Elijah Dooley has returned from Oakland airport and is in wait for a call to Pensacola.

Miss Anna Dufty and niece, of Missouri, are guests at the home of Mrs. Dufty's sister, Mrs. Bessie Thatcher.

HOPLAND, Aug. 14. (Special)—Mr. and Mrs. Pete Lortz of Los Angeles, and Mr. and Mrs. Harvey Simpson of Monrovia, California, were guests in the home of Mr. and Mrs. Mose Metzler in Hopland, and Mr. and Mrs. Henry Brookes, the past week. Mrs. Lortz is the mother of Mrs. Metzler and a sister of Mrs. Brookes and Mrs. Charles Phelps. Mrs. Simpson is a sister of Mrs. Metzler and a niece of Mrs. Brookes and Mrs. Phelps.

Mr. and Mrs. Charles Phelps came from Sausalito and were guests in the Brookes home, visiting the relatives from the south. Mrs. Phelps motored to her home in Sausalito with the folks and will visit Treasure Island with them before leaving for their home south.

Mr. Phelps remained to look after their pear crop. He reports a very good yield.

INCUBATOR BABY

Linda Lee LaPorte, diminutive arrival in the Lynn LaPorte home a week ago Sunday, is thriving well in a Berkeley hospital incubator, which she will call home for the next six weeks. The child, a granddaughter of Mrs. Frank LaPorte of this city, is the first child of the Lynn LaPortes.

● Miss Betty Jane Mustard spent last week with Mr. and Mrs. George Gibson of Potter Valley.

CHRISTIAN SCIENCE CHURCH

In all Christian Science churches, a lesson-sermon will be read Sunday, August 20, on the subject of "Mind."

The Golden Text will be: "Who hath known the mind of the Lord? or who hath been his counsellor? For of him, and through him, and to him, are all things: to whom be glory for ever" (Rom. 11:34-36). Bible selections will include the following passage from I Corinthians 8:5-6 (to): "For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many). But to us there is but one God, the Father, of whom are all things, and we in him; . . ."

A passage from the Christian Science textbook will also be included, which reads as follows: "The exterminator of error is the great truth that God, good, is the only Mind, and the the supposititious opposite of infinite Mind—called devil or evil—is not Mind, is not Truth, but error, without intelligence or reality." (p. 469).

TWO A DAY

Mrs. Kenneth Walker of Mendocino gets her name into the record book of this season's deer hunters by bagging two fine bucks in one day. According to the story coming out of the tall timber to the west, she made a brave stand while putting away the first stag, but when she had laid low the second one her knees began to buckle with the well known fever. However, evidence that she is not really a weak-kneed hunter lies in the fact that she has used all her tags for the season already.

SEE ICE FOLLIES

The Ice Follies will be viewed by a party composed of Mrs. Rose Copsey, Mrs. Chlorene Ryan and daughters, Marciel and Georgette, and Mr. and Mrs. Curtis Mitchell, Sunday evening in San Francisco.

Taxes in Willits Reduced by 12c For 1940

Taxes in Willits will be twelve cents lower during the next fiscal year than they were during 1938-1939, in accordance with a decision of the city council Monday night, it has been announced by Mayor W. F. "Bill" Whitney.

The tax rate for last year was $1.88, compared with the rate set for the coming year of $1.76. And the saving has been effected despite expenditures of $40,000 for sewers and storm sewer plant, a new fire truck, power street grader and a truck that the city badly needed, it was pointed out by the mayor.

During the last year assessed values have increased in Willits by more than $25,000, due to new construction of homes and business property, the report of the city council revealed, yet savings have been made by close checking of expenses. Furthermore, with Judge A. M. Sacry acting as City Clerk, and J. A. Bonderson as City Treasurer, the council was kept fully informed of income and outgo at all times.

MARRIAGE LICENSE

KING--MILLER -- In Reno, Nevada, August 10, to W. J. King, 41, San Francisco, and Clelah Miller, 42, of Clear Lake Highlands.

Wounded Hunter Will Recover

Latest reports from the Sonoma County hospital reveal that Floyd Smithers of Healdsburg, who was the first casualty of the deer hunting season in Mendocino county, will recover after two weeks of hovering between life and death.

He was transferred to the Sonoma hospital after receiving first aid at Ukiah General hospital after the accident.

Young Smithers was wounded critically when he dropped his rifle while hunting with his father, Ace, and his uncle, William, of Martinez, and Clem Morrill of Windsor, on Louder Flat on the Eel river north of Ukiah.

The rifle slug entered the right hip and ranged upward into the abdominal cavity, piercing the vital organs, and for ten days surgeons despaired of saving the youth's life.

ALCOHOLIC

Alma Goranson of Fort Bragg was committed to the Mendocino State hospital Saturday for acute alcoholism, to remain a year in the institution to effect a recovery. She was arrested by Constable G. A. Stenberg after repeated offenses.

Mrs. William Eddington underwent an operation at Ukiah General hospital Tuesday. Dr. J. E. Gardner is attending physician.

Jordan Twin Drinks Poison; Has Close Call from Death

COVELO—One of the 2-year-old twins of the Jordans became investigative one day last week and took a drink from an ink bottle, with disastrous effects. He was rushed to Dr. Mooy's office and within 15 minutes the contents of his little tummy were pumped out and after three hours' ministration the doctor assured the anxious parents that the little fellow would live. After taking a sniff at the bottle the doctor said, "creosote mixture." The child is a grandson of the George Shorts and a great grandson of Mrs. May Perry.

Last rites for Charles C. Hamilton, who passed away Thursday morning, August 10, were held at the family home here Saturday morning, August 12, at ten o'clock, with Rev. C. H. Pederson in charge. Mesdames G. F. Johnson and C. H. Lovell sang "Lead Kindly Light," "Beautiful Isle of Somewhere," and "Abide With Me." The pallbearers were sons-in-law and grandsons-in-law: Dave Crumwine, Martin Hauck, J. L. Toscano, Luther Hopper substituting for his brother, Mal Conner and Will Schmidt. The flowers were profuse and rarely beautiful.

Charles Calahan Hamilton was born in Medford, Connecticut, December 15, 1850. When a young man in his 'teens he came from New York City to San Francisco. He studied law and later came to Ukiah, where 50 years ago, he served as District Attorney.

In 1876 he was married to Miss Sarah E. Berger, a member of the prominent Berger family, in Ukiah. Mrs. Hamilton and seven children survive, two children having passed on. Surviving also are eight grandchildren and two great grandchildren.

Present at the obsequies were all the family: Bud Hamilton and Mrs. Nell Davis of Oakland, Mrs. Irene Judge of Pinole, Mrs. Lulu Hopper of Vallejo, Mrs. Ethel Toscano of Los Banos, Mrs. Ruth Hauck and Mrs. Juana "Babe" Crumwine of Covelo.

Out of town relatives and friends present at the services were: J. L. Toscano of Los Banos, Mr. and Mrs. W. Smith of San Leandro, Mr. and Mrs. Phillip Rohrbough of Alder Point, Dave Compton of Oakland, Luther Hopper of Santa Ana, and Chester Hopper of Los Angeles.

Mr. Hamilton, who was an affable and kindly gentleman, had lived a busy and useful life and continued active to the end. He had practiced law in Los Angeles, Oakland and Santa Ana and in his later years was consulting attorney for the mines in Kern county, holding that position even after his health failure and his return to Covelo two years ago. Up to the time of his last short illness he refused to obey the dictum of his advanced years to "keep quiet," but went for long daily walks and took a keen interest in all national and home affairs.

His family cherish the memory of his 89 well-spent years.

Rev. and Mrs. J. Lewis Kent and son David, of Fort Bragg, and Mrs. Kent's sister, Mrs. W. C. Martin of San Diego, arrived Saturday evening for a Sunday visit with Senator and Mrs. G. M. Biggar. Before leaving early Monday morning they made calls on a number of their former Covelo friends, including the R. M. Andersons and Omar Bates. The Biggars and guests breakfasted with Miss Helen Hogshead Sunday morning and Miss Hogshead joined the party at the Biggar luncheon table. The Kents left Covelo in 1927 after Rev. Kent had been pastor of the Presbyterian church here for a number of years. He has now been pastor of the Fort Bragg church for nine years. They are taking a two weeks' vacation which they will divide between the San Francisco Fair and Lake Tahoe.

Mrs. Martin is better known in Covelo as Miss Mary Palmer, who spent a year here with the Kents and attended high school. Her husband is connected with the navy and has been ordered to Hawaii. Mrs. Martin will sail for Honolulu on September 14 on the Matson liner, Lurline, to join her husband.

Mrs. D. Mullis and her daughter, Mrs. P. M. Alexander, both of Stockton, passed from Thursday to Tuesday in Covelo, the house guests of Mr. and Mrs. J. G. Short, and have been calling on many of their old-time neighbors and relatives.

Mrs. Preston Shields and infant daughter, Charlene Ann, returned home Friday from the Willits hospital, and now little Charlene is getting acquainted with her admiring Covelo relatives and friends.

Miss Muriel Nokes and niece returned to their home in San Jose Sunday after passing a week here, the guests of Miss Helen Hogshead. Miss Nokes is a co-teacher with Miss Hogshead in the Burligame high school.

Mr. and Mrs. Jack Jensen have moved back home from Riverside, where Jensen has been employed for some time. The family are occupying their own home near the Federated church.

Mr. and Mrs. John Brightenstine have moved in from their mountain home and are building a new home across the street from the manse, on the corner south of the home of Mrs. Brightenstine's mother, Mrs. Florence Azbill.

It's a fine boy at the Loren Long home, born Wednesday, August 9. Loren says the boy can't wield a hammer yet, but give him time and he will be on the job helping dad. Kenlyn Henry is the second son of the family, and much of his joy in life is due to the splendid care of his maternal grandmother, Mrs. Bess Kennedy of Oakland, who has been visiting her daughters and sons-in-law, the Jack Lovells and the Longs.

The Mina school opened Monday, August 14, with Mrs. Robertson of Oakland as teacher. There will be a larger than usual enrollment (about 15), at least until the new Eel river bridge is completed.

Leon Terry of the Mina neighborhood was in town Saturday and reports work on the new bridge progressing rapidly. Some of the men are boarding with Mrs. Merrill Reed and Mrs. Reed should know of the praises being broadcast about her cooking.

The old Geddis place of 800 acres, in the Mina region, has been sold to a Mr. Howard, who has moved his family from Sebastopol and taken possession.

The Ben Franklin family were pleasantly surprised last week when their old friends, Mr. and Mrs. John Smith and family of Lewiston, Montana, drove in for a brief visit. The Smiths had motored down from the northern state to see the Fair and stopped off to exchange greetings with the Franklins on their way home.

The bevy of ladies who attended the recent bridal shower given in honor of Mrs. Grant Winters will be pleased to know that she has selected as their gift purchased with the "silver shower" a beautiful cabinet of Community Plate silver—eight of everything. The cabinet itself is a beauty and the flatware a gift to gladden any woman's heart. At the shower Mrs. Winters was also presented with a frying pan filled with favorite recipes of each friend present. There was also a large bride's book and a number of other gifts, and each guest write her name with indelible ink on a linen pillow top, for memory's sake.

On Wednesday last, Senator and Mrs. G. M. Biggar entertained at dinner, the guests being Mr. and Mrs. Lawrence Lane and son Wallace, and Mr. and Mrs. Lawrence Gantz of Piedmont.

On Friday Mrs. W. L. Gantz was a luncheon guest at the R. M. Anderson home. The day was pleasantly spent by "do-you-remember-whens" of Mrs. Gantz's tiny tot days and Anderson's first years in Covelo, and reminiscences of the ladies' mutual friends in Kansas.

COVELO, Aug. 14.—The first of a series of events for the purpose of raising funds for the new clubhouse will be held on the Fitzhugh lawn on Friday evening, August 18, at 7:30 o'clock. This affair is to be a miscellaneous game party, with an opening attraction of dessert at 7:30. So important is this feature, in fact, that it might well be termed a "dessert" party. The hostesses will be Mesdames G. M. Biggar and L. Fitzhugh and Miss Helen Hogshead, each of whom will graciously welcome all comers.

There will be games for young and old — Chinese checkers and what have you? The entire proceeds from the 25c admission will be turned to the building fund and the sponsors hope it will be considered a community affair — not just for club members. The public is cordially invited.

Those in the know say the public will be delighted, for an evening of relaxation and fun is in store. The Fitzhugh lawn, by the way, with its lovely flower borders and lily pool, is one of the show places of the valley.

There will be two door prizes for ladies and two for the men. In order that those in charge may know how many to prepare refreshments for, they are asking that those who expect to attend will let one of the hostesses known in advance.

Leonard Henderson, who suffered a serious injury Thursday and is in the Howard Memorial hospital, was reported resting easier on Saturday. Henderson, who is employed on the Eden Valley ranch, was walking and leading two young horses when the animals became frightened and lunged forward, knocking Henderson down and trampling him. Two ribs were broken and torn from the back bone, puncturing the lung. It was at first reported that he also sustained a fractured skull, but it has been found that there was no serious head injury.

NON-RESIDENTS INCREASE

Figures released by the local offices of the State Highway Patrol indicate that there has been a tremendous increase in non-resident traffic in Mendocino county this year compared with last. Exact figures to date are 300 non-resident permits issued, while in 1938 only 23 were issued for the entire 12 calendar months.

PATROL DUTY

As an additional precaution against possible fires that may be started by deer hunters or others during the remainder of the season, the State Forestry Service has sent Ranger Bill Nevius to Mendocino county for patrol duty, State Ranger Bruce Hufford has announced.

ALL READY FOR NAPA COUNTY FAIR

All is in readiness for the annual Napa County Fair & Horse Show, August 17 to 20 at the fair grounds in Napa, where an interesting and educational program of junior and open class livestock exhibits, agricultural displays, and home economics department exhibits will be featured with a Horse Show and diversified program of running and harness horse racing.

Many premium awards will be made in all exhibit divisions—senior, junior and children.

The four pretty girls, with their dog and pony, ready for Napa county's annual display of agricultural and livestock resources—coupled with four big days of super entertainment typical of Redwood Empire attractions—are Mildred Wilson, Eleanor Bones, Alta Shock and Mickey Rowland.

Streamlining Saves Big Sum On Licenses

Rounded corners and lighter metal on the 1940 California automobile license plates will effect a saving of $40,000, it is revealed by the registrar of motor vehicles in Sacramento Howard E Deems.

An additional $110,000 will be saved, according to the registrar, through decision of the department to abandon use of postcards to notify automobile owners of the amount of their "in lieu" property tax.

This creates something of a precedent in governmental bodies in the last several years, it may be noted, in that the usual announcement concerns mounting costs and the glib reasons therefor.

The economies are part of a retrenchment program put into effect because of legislative budget reductions, officials of the department explained.

The plates will be orange-yellow with black block lettering, both the coloring and form of the numerals having been selected because they rank first on the U. S. Bureau of Standards visibility scale, Deems said.

License Bureaus Will Not Be Cut

Although the State Department of Motor Vehicles announced further retrenchments during the week in drivers' license bureaus, Mendocino county is not in line for further changes, according to Captain Austin Rawles of the Ukiah office.

Plans have been completed to close 169 of the 224 bureaus thruout the state, and license examinations for the cities affected will be given at county seats or by highway patrolmen.

Blamed on legislative budget cutting, the economy wave previously involved closing of three branches, seven border checking stations and 15 temporary registration offices.

Redwood Theatres Lose Court Case To F. J. Tolmans

The case of Nettie and Frank Tolman against Redwood Theatres, Inc., has been settled out of court, in favor of the plaintiffs, according to the law firm of Taft & Spurr, attorneys for the plaintiffs.

The plaintiffs brought suit for the sum of $2500 for Nettie Tolman and $[illegible].00 for Frank Tolman, alleged to be due for injuries and medical expenses for Nettie Tolman when she allegedly fell on the 28th of May, 1939, in the State theatre in Ukiah, sustaining two fractured ribs and other minor injuries.

PEERS WILL DECIDE

A jury will decide whether Filburn Knight, 30-year-old Covelo Indian, was guilty of drunken driving on August 28, according to the decision of Superior Judge W. D. L. Held Friday. Knight's record shows a prior conviction for the same offense.

TAGGED

Nineteen-year-old Winfield Riggan failed to punch out his deer tag properly after a successful hunt. The result: a $5.00 fine. Because of his youth and good intentions, Justice Will Van Dyke suspended $20 of a possible $25 fine for the offense.

Irene Elliott, 23-year-old Indian woman, was sentenced by Judge W. D. L. Held to the Tehachapi prison for women Wednesday for theft of an automobile belonging to James Mitchell last May. Sentence was pronounced after the woman had violated the terms of her probation granted on June 2, which were to run for five years. Her term will be from one to five years.

Rotarians Hear Stickney Speak On Pear Growing

Ruel Stickney, prominent pear grower and manager of the Ukiah Production Credit Association, spoke to the Rotarians Tuesday, giving an outline of development of the pear industry and, with the aid of charts, explained costs of production, sales, and a breakdown of distribution of the consumer's dollar. The talk was splendidly given and gave his listeners an insight to the problems of the pear growers.

Dr. E. C. Bennett, Frank Branson and Forrest Hughes told of the Ukiah Round-up to be held September 30-October 1, and plans for financing same.

Announcement was made of an exceptionally fine musical program next Tuesday and Rotary Anns invited to attend.

Invitations were received from Cloverdale Rotary to attend their annual venison feed August 24.

S. W. Elliott of Eureka was a visitor. Ray Walsh was the program chairman and Lon Gibson presided.

Poultry Producers Open for Business In New Location

Announcement is made this week by George Eckman, local manager of the Poultry Producers of Central California, that effective next Monday they will be open for business in their new location on Clara avenue and Railroad, where they have purchased the old Pellegrini warehouse, which they have completely remodeled and modernized to take care of their fast growing business.

Eckman states the move was made necessary due to lack of space in their present location, making it impossible to efficiently handle the ever-increasing demands upon them, and that in their new location, which is located on a spur track of the Northwestern Pacific, they will be able to load and unload directly from freight cars, and give them much needed additional storage space.

Eckman issues an invitation to the public to visit and inspect their new location.

Covelo Streets Are Improved

The streets of Covelo have been completely re-surfaced and oiled recently and the last of five and one-half miles of work has been inspected and approved by Supervisor Duane Bittenbender.

In doing the work, Engineer J. C. Spaletti brought in more than $30,000 worth of road working machinery. He has finished all but coating with gravel and binding with oil a portion of Howard street.

To protect the streets and prevent breaking up the surface, citizens and neighboring farmers are requested to be careful in moving farm implements and trucks on the new surfaces.

John Kinslow Dead at 89

John F. Kinslow, pioneer business man of Santa Rosa, passed away in that city on Tuesday, at the age of 89. Funeral services were held Thursday with burial in Holy Cross cemetery, San Francisco. Kinslow was well known here, where his family frequently visits to superintend the Kinslow Monumental Works.

Deceased is survived by Dr. Frank Kinslow, San Francisco surgeon; Mrs. Regina Maria of San Francisco, wife of Joseph Marias, president of the State Harbor Commission; and Fisher J. Kinslow of Santa Rosa.

Legion Post Holds C. D. Larson Funeral Services

Funeral services for Clarence D. "Slim" Larson, 45, prominent Hopland merchant, were held Thursday at 11:00 a. m. from Eversole Mortuary, under the auspices of American Legion Post No. 529, Hopland. The body was shipped to Washburn, Wisconsin.

Larson passed away suddenly on Monday in Oakland, from a heart attack suffered after a parade of Legionnaires at the state convention.

Larson and his brother, Oscar Larson, had been associated in a restaurant partnership in Hopland for the past eight years, previous to which Larson operated an auto camp. He was born in Washburn, Wisconsin, 45 years ago.

Larson is survived by his parents, Mr. and Mrs. Magnus Larson of Washburn, Wisconsin, and the following brothers and sisters: Oscar Larson, Hopland; Glenn Larson, Boyes Springs; Mrs. Glenn Johnson and Miss Gladys Larson, Chicago, Illinois.

Larson was a member of Ukiah Aerie, Order of Eagles, and American Legion Post No. 529, Hopland. The body was shipped to Washburn, Wisconsin, for burial.

CITY VACATION

LaFaye Higgins, eleven-year-old granddaughter of Mrs. Wiley Higgins, has returned from a fortnight's visit in San Francisco, where she was the guest of relatives. The Exposition and principal points of interest in the bay region were highlights of the trip.

● Superior Judge W. D. L. Held played the role of visiting dispenser of justice in two other counties this week. Monday he presided over the court in Napa and Tuesday he was in Santa Rosa to substitute for an absent bench member.

JR. COLLEGE COURSE

Ernest Banker, elder son of Mrs. Nina Banker, will enroll in Santa Rosa junior college for the fall semester.

● FOURTH GRANDCHILD—Dr. and Mrs. E. H. Benson are grandparents for the fourth time this year. Sarah Winslow Benson was born to Dr. and Mrs. Kenelm Benson of Rochester, Minnesota, Monday. Dr. Benson is associated with the Mayo Brothers.

● DAUGHTER BORN—A daughter was born to Mr. and Mrs. Edward Arnold of Hopland, in Ukiah General hospital, last week. Dr. J. J. Kirwin is in attendance. The baby is the third in the family.

Talmage Loses Close Game To Fort Bragg, Score 3-2; Play Sausalito Sunday

By Phil McKinley

In the closest and hardest fought contest of the season for both teams, the Fort Bragg Loggers nosed out the Talmage Sluggers 3 to 2 Sunday in the Loggers stadium at Ft. Bragg.

The Sluggers took a one-run lead in the first inning when Sousa got on first on Galletti's error and Ottosen hit him in. In the last of the fifth inning the Loggers tied the count at one all as Olson led off with a double. Collins reached first on Woodruff's error. Olson scored when Martella was safe on a fielders choice.

In the first of the sixth frame Talmage forged into the lead again. With two out, Sousa, Ottosen and Busch singled and Sousa scored, making the score two to one. Coverston, Fort Bragg shortstop, doubled in the last of the sixth and then went to third on Mosna's error. Mustanish singled pushing Coverston across the plate to tie the score at two all.

In the last of the eighth inning, Mullins flied out for the Loggers and Pavioni singled. Coverston flied out. On instructions from Talmage shortstop Busch, Severi issued a free pass to Mustanish. Two were out and two were on base when Galletti doubled allowing Pavioni to score the winning run. Olson made the third out of the inning when he hit what might have been a double but failed to touch first.

Severi and Collins both went the route on the hill. Both hurled a good game but Severi lacked much of his usual effectiveness. His 14 strike-out-a-game average slumped as he fanned only two batters. His usually sharp breaking curves were bending instead of snapping.

Both squads evened the score in the hitting department with seven safe blows each. Fort Bragg had the edge in the defensive department, making only one error against three for Talmage.

Galletti, Olson and Coverston each garnered a double. Coverston got two hits in four tries. Del Re bagged one for two.

Ottosen clouted three hits in four times at bat and Severi and Woodruff swatted one safe blow in three trips to the platter.

The box score:

WORLD'S RECORDS ENDANGERED AT LAKEPORT RACES

All the big names in the outboard racing field are expected to be entered in the Pacific Coast Outboard and National Runabout motorboat championship races scheduled for September 2, 3 and 4 on Clear Lake near Lakeport, it has been announced, and as a consequence some new world's records are confidently expected.

Competition will be particularly keen at this year's meet, owing to the large number of experienced drivers and high-class boats which will be entered from all parts of the Pacific Coast and elsewhere, according to advance information.

Sanctioned by the Northern California Outboard Association, the races will be officially recognized by the National Outboard Association.

The ease with which Clear Lake is reached over excellent hard-surfaced Redwood Empire system of all-year highways connecting with all Pacific coast highways, will interest many boat racers and racing fans.

● James Mayers of San Francisco hurried past a truck and three automobiles on a blind curve south of town and got himself picked up by Patrolman Stultz, who charged him with reckless driving. Justice Van Dyke let him off with a $10.00 contribution.

BRONCOS

Santa Clara Announces Schedule

Buck's Boys Face Tough Peelers

Released only this week is the 1939 football schedule of Santa Clara University.

The schedule calls for nine games all of them tough ones, if you want to believe the publicity staff of the school. And there's no reason to doubt them, judging from past records of the hard-bitten Broncos.

Six Home Games

The opener for the season is with the University of Utah on their home grounds; then follow six consecutive games in the bay district, all but the Stanford fracas being in Kezar Stadium in San Francisco. The concluding games of the year are with University of California at Los Angeles in the Angel City Coliseum, and with Loyola University in Gilmore Stadium.

Big Brutes

In the customary moaning forecast of his team's chances that every coach indulges in at the outset of a new season, Bronco mentor Buck Shaw laments the loss of all his superfine material from last year's squad, cries lustily about the inexperience and greenness of his present crew and how they're going to get kicked around by everybody, then ends by slyly admitting that they may develop into a very dangerous football team.

Schedule

Material certainly isn't lacking, in numbers if not in quality, to judge from the roster included in the neat little folder that has reached us. Three centers, nine guards, ten tackles, ten ends, four quarterbacks, five left halfbacks, six right halfbacks and six fullbacks are listed. All of them are real huskies, the weight of the probable starting lineup being given as: line 195 lbs., backfield 188. Here they are:

Center, Johnny Schiechl, 220 lbs., Vester O'Connor, rg, 185 lbs., Frank Hagan, lg, 180 lbs., Andy Stolarz, rt, 195 lbs., "Nick" Stubler, lt, 210 lbs., "Bill" Anahu, re, 188 lbs., John Thom, le, 185 lbs., Ray McCarthy, qb, 205 lbs., Ward Heiser, rh, 181 lbs., Jim Johnson, lh, 187 lbs., and Jack Roche, fh, 180 lbs.

And here's the formidable schedule the team faces this fall:

Sept. 30—University of Utah at Salt Lake City; Oct. 6—Texas A. & M., Seals Stadium (night game); Oct. 15—University of San Francisco, Kezar Stadium; Oct. 22—St. Mary's College, Kezar Stadium; Oct. 28—Purdue University, Kezar Stadium; Nov. 4—Stanford University at Palo Alto; Nov. 18—University of California at Los Angeles; Nov. 26—Loyola University at Los Angeles.

Gilmore Circus Coming to Town

The circus is coming to town, boys and girls — no fooling! We mean a real circus, too. Maybe not a full grown one but still one in which grownups are as fascinated as the youngsters. It's the widely acclaimed Gilmore Miniature Circus in charge of Burl Lane.

The pint-size "big top" with all the usual assortment of clowns, elephants, tigers, giraffes, camels and the like will be presented on Friday, August 18, at the Maxwell & Thompson service station on South State street.

Present plans call for three showings of the circus, two in the afternoon and one in the evening. Don't miss this show, folks!

Aviation Club Will Meet in Willits

Preparations to receive the Northern California Aviation Country Club members in Willits on Sunday, August 20, are going forward rapidly, according to a report by President Walter Moore of the Willits club.

His report was made at a meeting at the C. M. C. Power Company offices Thursday night. Workmen are levelling the new landing field and uprooting trees at the west end, he said.

POLLARD IMPROVES

John "Red" Pollard, Seabiscuit's jockey, has been taking the hot mineral baths at Vichy Springs in an effort to regain use of his foot, which was injured when he broke a leg riding in Massachusetts. Pollard is under the care of Dr. Raymond Babcock, director of Howard Memorial hospital, Willits.

FISH TALE

SUNSTROKE TAKES LIVES OF FINNY DENIZENS

Mad River Cooks Trout; Also Eel And Trinity

Prolonged hot weather during the last ten days was blamed for the mass death of fish in the south fork of the Eel river, to a lesser extent in the main stream, and in the south fork of the Trinity and upper Mad rivers, according to reports made by Paul Shaw, pollution engineer of the State Fish and Game Commission.

According to Shaw's report, there were many live fish in the south fork of the Eel, but most of them were harboring near the small streams in order to get the benefit of the cooler water. Shaw did not notice any fish in distress nor did he find any dead fish during his investigation. He said that the oxygen content of the south fork of Eel was normal and that he felt the situation was now past the peak and did not anticipate that there would be another such prolonged hot weather spell which would cause a recurrence of the condition.

He stated that there was a short water supply and that had something to do with the conditions.

His reports showed that according to checks made by Assistant Warden Teegan there had been a constant flow of water through the fishways and over the Benbow dam at all times.

He stated that in hatching practice they have trouble when water reaches a temperature of 70 degrees, yet in his investigation during the past few days he found that the lowest temperature, both below and above the Benbow dam, was 71.6 degrees. The highest temperature above the dam was 79 degrees, below the dam, near Miranda, it was 81.5 degrees, and at the confluence of the south fork and the main Eel river it was 75.2 degrees. He also stated that ten days ago the temperature was approximately five degrees higher than at the time of his rating.

On the main Eel river above the confluence of the south fork it was 78.8 degrees, showing that the high temperatures prevailed on other than the south fork.

Sluggers to Seek Hide of Lions

(By Phil McKinley)

In a vengeful spirit after their heart-rending 3-to-2 defeat at the hands of the Fort Bragg Loggers last Sunday, Manager "Foggy" Ottosen's Talmage Sluggers are primed for their battle with the Sausalito Lions Sunday in Soper stadium at Talmage, at 1:30 p. m.

Not much is known locally about the Sausalito Lions baseball prowess. Since Sausalito has but a few semi-pro nines the Lions should represent a fairly potent group of bat swingers. Originally schedulted for Sunday was the Federal Outfitting Co. team, but difficulties, probably due to the semi-pro tournament, prevented their coming.

The Ottosen strategy may differ a little in the batting order. Usual first man to bat, Vaughn or McKenzie, will probably remain the same, but Rawles, usually the second batter, will likely be shifted down the line a bit to be replaced by Al Sousa, who scored both Talmage runs at Fort Bragg.

Severi, whose strike-out average suffered a severe slump in Fort Bragg, will be busting the ball across the plate to raise the average as he starts on the mound for Talmage. Mott, always steady, reliable and outstanding, will catch.

Joe Woodruff, feature defensive player in the Talmage infield, will be on first. Last week Woodruff suffered injuries to his arm and leg which may effect his playing in Sunday's contest. Newell Rawles will cover second with Al Sousa on third. Jim Busch is slated to cover shortstop.

With Roy Soper on vacation, the Talmage outfield is expected to be a toss-up between Ottosen, Freddie McKenzie, Glenn Vaughn, Ernie Mosna, and Cyril Vassar.

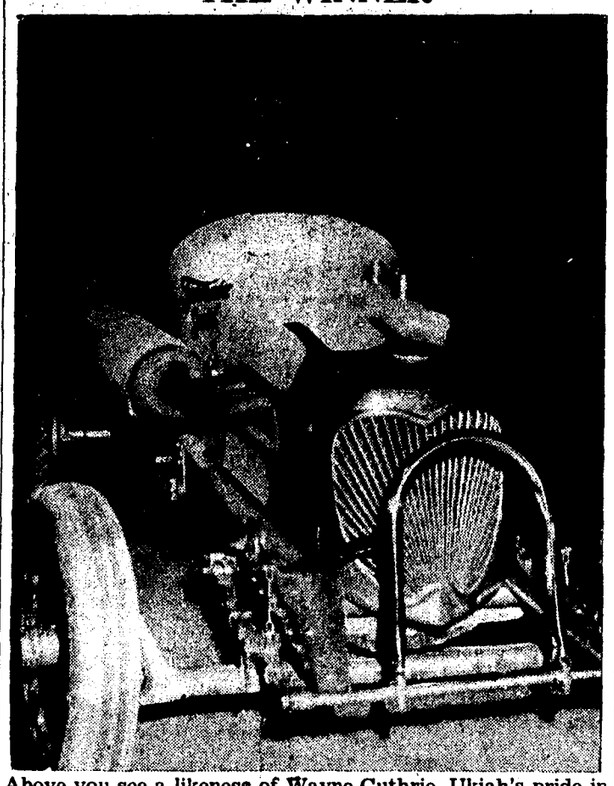
The Sausalito Lions battery will be Mancebo pitching and Machado catching. Fitzhenry will play first base, Carparti will get the keystone berth, and Montegano will cover third base.

Probable starters in the Lions outfield will be Pederson in left field, Fontes in center field, and Regalia in right field.

Umpires for the contest will probably be Ginochio behind the plate and Tamborini on the bases. The game will be announced by Phil McKinley over H. A. Jenny's public address system.

● ATTEND MEET—Mr. and Mrs. Walter H. Higgins left Thursday for Stockton to attend the state convention of agents representing the State Farm Insurance company. Higgins attended a seminar at Hotel Claremont in Berkeley from Sunday evening until Wednesday.

THE WINNER



Above you see a likeness of Wayne Guthrie, Ukiah's pride in the midget automobile racing industry of California, caught just as he rolled across the finishing line in San Francisco the other night, when he won the main event, a trophy dash. Guthrie not only was the winner, he set a new track record for the distance. So you see what can be expected of him in the forthcoming races at the Bennett Stadium here, when he competes in the midget races to be held as the nightcap event of the Ukiah Rodeo on October 1. —Democrat Engraving

BUNYAN

LOGGERS WILL CARAVAN TO THE FAIR

Paul Slated To Be Mayor For the Day

Saturday will be Fort Bragg's big day at the Golden Gate Exposition on Treasure Island, for that day has officially been proclaimed Paul Bunyan Day at the Fair and the master logger will take over the job of being Mayor there for 24 hours.

A caravan of about 100 cars will leave Fort Bragg for San Francisco Saturday morning, stopping enroute in Santa Rosa and Petaluma. They will be met at the north bridgehead of the Golden Gate span by an official party who will conduct them along the Marina, Embarcadero, and up Market street to a greeting at the city hall by Mayor Rossi.

Mayor Paul

Next day — Sunday — will be the Bunyanites big day at the Fair. The caravan will re-form for the trek across the Bay Bridge for a welcome by President Leland Cutler and "Theme Girls" of the Fair. Part of the entourage will join in the Cavalcade of the Golden West show and there will be dancing, music, log bucking exhibitions and other performances in the Court of Pacifica.

Event a Minute

Events scheduled for the three days of celebration at Fort Bragg—September 2, 3 and 4—will include a full rodeo, a baseball game, log bucking, chopping, peeling, ax throwing, cable splicing, pole climbing, log rolling, jack screw contests, tree falling, greased pole climbing, hewing of ties and timbers, and the finals in the tug-of-war. Something will be doing every minute, officials promise, with contestants and visitors assured from all parts of California.

Little Barbara Jean Richardson, six-year-old daughter of Mr. and Mrs. Russell Richardson of Ukiah, has been chosen "queen" of the Paul Bunyan rodeo and will ride her pony in the parade there. She will appear in the big "hoss" parade planned by Dr. E. C. Bennett as a preliminary to the Ukiah Round-up this Saturday evening.

THE PAYING WAY IS THE CLASSIFIED WAY!

HUNTING WARNING

● The McNab Ranch is Absolutely Closed to all Hunting!

Ukiah Will Have Exposition Day

✓Tuesday, October 10, has been chosen tentatively as Ukiah Day at the Golden Gate International Exposition on Treasure Island, it has been announced by Lloyd Bittenbender, chairman of the Ukiah Chamber of Commerce, who has called a special meeting of the organization for Monday evening to set the date definitely.

Football Practice At Santa Rosa J. C. On September 5

SANTA ROSA, Aug. 17.—Santa Rosa junior college Bear Cubs, defending champions of the B division of the Northern California Junior College conference, will don football togs Tuesday, September 5, Athletic Director Dick Blewett announced this week.

Under the director of Football Coach Cook Sypher, the Bear Cubs will launch into practice at once in preparation for the initial game Septembe 22, with the College of the Pacific Frosh here.

Half a hundred varsity football candidates are expected to romp out on the practice field with the first call. Of this number many are seasoned Sophomores—members of the 1938 championship squad.

Peace! It's Wonderful In Sanel Township

A warrant has been issued by District Attorney James E. Busch for the arrest of four men for fighting, quarreling and otherwise disturbing the peace in Sanel township, it has been revealed. The men are Dee Murray, Glenn Johnson, Arthur Johnson and Clarence Pritchard.

The complaint was signed by Bruce Hufford, State Ranger at Willits, who declared the offenders had fought and quarreled with Harold St. John, George McMillan, Ralph Hyman and others named.

They will appear for hearing before Justice D. R. Ward.

Laverne Evans of Talmage, who was arrested by Office Mills and charged with reckless driving, was fined $25.00 by Justice Van Dyke.

BOOKS

PUBLIC LIBRARY LOANS INCREASE THREE TIMES

While Cost Is Coming Down Every Year

Ten years of progress at the Ukiah Public Library have seen borrowers increase their interest in books three times, according to the annual report just released by Edwin Castagna, librarian. This represents an average of 15 books per capita each year, compared with five books per capita in 1929.

The report that has been submitted to the board of trustees who shows that in the ten-year period the cost for the circulation of each book has fallen from 14¾ cents to 11½ cents. It further indicates that the gain in circulation during the last year has been 27 per cent, showing that the library's expansion of service is rapidly increasing.

The report was accepted by the trustees with many expressions of commendation and appreciation. Present were Charles Kasch, president; Mrs. W. D. L. Held, Mrs. Minnie Jamison, William A. Chessall and Mrs. Guy Redwine.

Native Resident Dies While on Home Visit

Mrs. Ollie Shaw passed away in this city Thursday morning at 3:00 o'clock, following a short illness.

Mrs. Shaw came from Oakland ten days ago to make her home with a sister, Mrs. Martha Scott. A native of Ukiah valley, she left this vicinity 20 years ago, and had resided in the east bay for several years. She had wide family connections here and was beloved by all who knew her.

She was a daughter of the late John P. Smith, pioneer settler of Ukiah valley. Mrs. Shaw is survived by a daughter, Blythe Brown of Oakland. The late Blanche Blazick was a daughter. Robert and Vernon Blazick and Myrna Brown are grandchildren of deceased.

Four sisters of that sturdy pioneer family survive Mrs. Shaw, namely: Mrs. Mary Milne and Mrs. Martha Scott, Talmage; Mrs. Minnie Scott and Mrs. Nellie Wilgus, Ukiah.

Funeral services will be held on Saturday at 3:00 p. m. from Eversole Mortuary, Elbert Holland officiating. Interment will be in the family plot of Ukiah cemetery.

DR. HOPKINS HOME

Dr. C. Howard Hopkins, elder son of C. B. Hopkins and the late Mrs. Lucia Cleveland Hopkins, is a guest in the family home in Ukiah, after completing a 4000-mile trip across the continent, where he visited the New York Fair and Washington, D. C. In Washington he did research work in the library of Congress, as well as sightseeing around the historic capitol.

He returned west via the southern route, attending summer session at Redlands University, where he secured his A. B. degree a number of years ago. Hopkins has been taking courses in preparation for teaching in the social science department of Stockton Junior College.

Dr. Hopkins will be here until September 1st, greeting old friends.

Program of Council Meet To Feature Conservation

As chairman of the conservation committee of the North Coast Council of the State Chamber of Commerce, Edgar Dutton will represent the city of Ukiah at the meeting scheduled for Santa Rosa Friday, August 25, it was made known Wednesday.

Projects ranging from winter sports roads improvement to coordination of agencies involved in agricultural field labor questions will come up for discussion.

The invitation from Regional Director George Hoberg of Lake county calls all committees to their sessions in the morning, and the general council luncheon at noon will feature reports of the morning's work and special items of importance to representatives of the North Coast region.

Highlighted will be proposals for bettering fish and game management of the area, including the proposed waterfowl refuges in Lake and Sonoma counties, which may later spread to Mendocino, Marin and Humboldt counties if county officials and the Biological Survey offices agree. The proposals are for the purpose of restoring the shore flight of ducks and geese.

Industry will feature technical discussions concerning the building industry, proposals for exploitation of "National Wine Week," and current industrial and commercial surveys.

The relief situation and its effect upon counties, as well as the state fiscal program, will highlight the taxation session.

Highway discussions will be centered around the new state highway budget, as well as feeder roads, federal forest highways, grade separation, and other state and federal aid program.

The agricultural committee will discuss present market controls, the wages and hours regulations, and many other items vital to agriculture, including labor.

Travel stimulation will center upon continued school vacation change programs in order to make further use of good fall weather, and a continued expansion of the current health springs exploitation work and off-season travel lures into the region, such as winter sports, winter fishing, and the present efforts to secure winter training camps for coast league baseball teams, including the Seals and the Oaks.

The committees meeting on Friday, August 25, and their chairmen are as follows: Agricultural—R. E. Oehlmann, Sebastopol; conservation—Edgar Dutton, Ukiah; highways—Howard Knight, Sonoma; industrial—Carl Bundschu, Rutherford; taxation—H. H. Sawyer, Napa; travel stimulation — Fred Cairns, San Rafael.

County Lucky In Lack of Big Fires

Mendocino county has apparently been the luckiest of California subdivisions this year so far in the number and severity of forest, brush and grass fires, it is indicated in a Sacramento report.

Abnormally dry weather in the state has boosted the cost of timber, grass and brush fires to 14 times the damage reported last year in areas protected by the Division of Forestry, division officials revealed.

Until June 1, property worth $47,550.00 was destroyed by fire in counties cooperating with the Division, the report stated. The total for the same period in 1938 was only $3127 and in 1937, $7382.

Subnormal rainfall which is approaching the record set in 1931 was blamed for the increase by Sydney Lammerton, chief forestry dispatcher. He named dry winds, low humidity, thunderstorms and high temperatures as contributing factors.

The 839 fires reported in the first five months of the year destroyed timber worth $2026; range, $5271; hay and grain, $22,876, and improvement, $17,378.

Auto Stolen by Juvenile Wards

The sheriff's office is conducting a search for two youths who stole the light coupe belonging to William J. Johnson from the neighborhood of the Catholic church Sunday morning during services.

The juvenile offenders were seen and identified as they made off with the car. They are Peter Reilley, 14, a ward of the Juvenile Court of Santa Clara county, and Theodore Connelly, 15, a ward of the Juvenile Court of Alameda county.

To date the stolen machine has not been recovered. Its loss marked the second time within two months that the same machine has disappeared. The previous time it was missing two weeks, one week of which it sat in a Santa Rosa garage unrecognized and unclaimed.

Johnson complains that he's getting pretty tired of walking while others drive around in the luxury of his car.

American Boy Magazine Companion to Thousands

Hundreds of thousands of boys and young men read The American Boy magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "The American Boy seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in The American Boy."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in The American Boy magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys clubs also recommend The American Boy enthusiastically. They have found that as a general rule regular readers of The American Boy advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in The American Boy the sort of reading matter boys like best.

The American Boy sells on most newsstands at 15c a copy. Subscription prices are $1.50 for one year or $3.00 for hree years. Foreign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to The American Boy, 7430 Second Blvd., Detroit, Michigan.

RETURN FROM ALASKA

Two parties of Ukiah residents have returned from an interesting tour of Alaska.

Miss Grace Toles and Mrs. Iva Mellis were in a party under the direction of Dr. Tully Knoles of the College of the Pacific, who conducted an educational cruise with daily lectures.

The other group was composed of Mrs. J. Q. White, Mrs. Ellen Copsey and son Jack. The two Ukiah groups were together for the last part of the voyage.

MILK

The world's first International Fair
Was in eighteen fifty-one,
The most outstanding feature there
Something vast began.

London's Crystal Palace, grand,
Stretched a third of a mile,
So high did this wonderful structure stand
It housed old elms with style!

Exposition architects
Spectacular plans produce;
But everyone his house selects
With care or weak excuse.

The body—a palace or tenement—
Is built from day to day;
Dairy products are excellent
In building nature's way!
